

Classes for Your Consideration within Social Services See Which Classes May Allow You to Write More Business

As with our last entry, this communication showcases a cross-section of available classes of business at ProAssurance Mid-Continent—now focusing on our Social Services program. While our largest area within Social Services is adult group homes, here's the full list of classes in which our underwriters can assist your success:

- Adoption Agencies
- Alcohol/Drug Rehabilitation (Outpatient or Residential, and with or without Detox)
- Methadone Clinics
- Child Day Care
- Counselors
- Crisis Pregnancy Centers
- Foster Care (including or excluding parents)
- Family Planning Centers
- Phone Crisis Service Hotlines
- Meals on Wheels
- Facilities for Mental Health/Mentally Challenged (day school or group home)
- Mental Health Senior Citizen Day Care
- Mental Health Services
- Miscellaneous Beds
- Nanny Services (no live-in)
- Physical/Developmental Disability Facilities
- Psychiatrist (with or without own insurance)
- Psychologists
- Referral Agencies
- Social Workers
- Transitional Living (with or without medical treatment)
- Tutoring

An important note: we do *not* write any classes featuring overnight youth exposures/youth residential. As noted above, we do write adoption/foster care AGENCIES or after-school programs.
